## **Review report to the Shareholders and Directors of National Bank of Fujairah PSC**

### ***Introduction***

We have reviewed the accompanying condensed consolidated interim statement of financial position of National Bank of Fujairah (“the Bank”) and its subsidiary (together referred to as “the Group”) as at 30 June 2012 and the related condensed consolidated interim statements of income, comprehensive income, changes in equity and cash flows for the six month period then ended. Management is responsible for the preparation and presentation of this condensed consolidated interim financial information in accordance with International Accounting Standard 34 – Interim Financial Reporting. Our responsibility is to express a conclusion on this condensed consolidated interim financial information based on our review.

### ***Scope of review***

We conducted our review in accordance with the International Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”. A review of condensed consolidated interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### ***Conclusion***

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial information is not prepared, in all material respects, in accordance with International Accounting Standard 34 – Interim Financial Reporting.

## Notes to the condensed consolidated interim financial statements – (Un-audited)

For the six month period ended 30 June 2012

### 1. Legal status and activities

National Bank of Fujairah ("the Bank") is a Public Shareholding Company registered under the laws of the United Arab Emirates. The Bank operates under a banking license issued on 29 August 1984 by the Central Bank of the United Arab Emirates ('the UAE Central Bank') and commenced operations on 20 September 1984. The shares of the Bank were listed on Abu Dhabi Securities Exchange (ADX) on 23 October 2005.

The principal activity of the Bank is commercial banking which is carried out from its fourteen branches in Fujairah, Abu Dhabi, Dubai, Sharjah, Dibba, Jebel Ali, Musaffah, Masafi, Qidfah, Deira, Ajman, Tawian, Al-Ain and Fujairah City Centre.

The Bank has a fully owned subsidiary company, NBF Financial Services FZC which was established in December 2004 with limited liability status in the Fujairah Free Trade Zone to provide support services to the Bank.

The condensed consolidated interim financial statements for the six month period ended 30 June 2012 comprise the Bank and its subsidiary (together referred to as "the Group").

The registered address of the Group is Hamad Bin Abdullah Street, P. O. Box 887, Fujairah, United Arab Emirates.

### 2. Disclosure policy

The Group has established a disclosure policy to ensure compliance with all applicable laws and regulations concerning disclosure of material non public information, including International Financial Reporting Standards, the rules of the UAE Central Bank and its Basel II Pillar 3 guidelines and the listing requirements of the Securities and Commodities Authority (SCA) and ADX.

The following are the key features of the Group's disclosure policy concerning disclosure of financial information:

#### a) Materiality thresholds

Information is considered material if its omission or misstatement could change or influence the assessment or decision of a user relying on that information for the purpose of making economic decisions and/or any material information that might affect the share price. The Group, in order to ensure adequate disclosure lays down a materiality threshold, so that no material information is omitted or misstated.

## Notes to the condensed consolidated interim financial statements – (Un-audited)

For the six month period ended 30 June 2012 (continued)

### 2. Disclosure policy (continued)

#### b) Frequency and medium of disclosure

The condensed consolidated interim financial statements are prepared and presented on a quarterly basis while complete consolidated financial statements are prepared and presented on an annual basis in compliance with the requirements of IFRS, Basel II Pillar 3 and other guidelines from the UAE Central Bank. Disclosures of material non-public financial information are made by the Finance Department of the Group through the following mediums:

- Sending quarterly reviewed and annual audited financial statements, along with Management Discussion Analysis or Directors' report and any other price sensitive information, to ADX and SCA;
- Hosting quarterly and annual financial statements on the Group's website;
- Publication of annual audited financial statements in both Arabic and English newspapers after the approval in the Annual General Meeting (AGM);
- Management analysis in Arabic and English newspapers in a manner that ensures wide dissemination; and
- Publication of annual report.

In addition, the Group's Corporate Communication Department discloses and disseminates information through press releases and media coverage.

### 3. Basis of preparation

#### Statement of compliance

The condensed consolidated interim financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRS"), IAS 34: *Interim Financial Reporting* as issued by International Accounting Standard Board (IASB) and the interpretations issued by International Financial Reporting Interpretations Committee (IFRIC). These financial statements do not include all the information required for full annual audited consolidated financial statements and should be read in conjunction with the audited consolidated financial statements of the Group as at and for the year ended 31 December 2011.

### 4. Significant accounting policies

The accounting policies and methods of computation applied by the Group in these condensed consolidated interim financial statements are the same as those applied by the Group in its audited consolidated financial statements as at and for the year ended 31 December 2011.

#### Standards that are effective for the Group's accounting period beginning on 1 January 2012

There are no new standards and amendments to published standards or IFRIC interpretations that are effective for the first time for the financial year beginning on or after 1 January 2012 that would be expected to have a material impact on the Group.

The following applicable new standards and amendments to published standards have been issued but are not effective for the Group's accounting period beginning 1 January 2012 and have not been early adopted by the Group:

### 4. Significant accounting policies (continued)

- IFRS - 9, 'Financial instruments' (effective 1 January 2015), addresses the classification, measurement and recognition of financial assets and financial liabilities. IFRS 9 was issued in November 2009 and October 2010. It replaces the parts of International Accounting Standard (IAS) 39 – 'Financial Instruments: Recognition and Measurement' that relate to the classification and measurement of financial instruments. IFRS 9 requires financial assets to be classified into two measurement categories: those measured as at fair value and those measured at amortised cost. The determination is made at initial recognition. The classification depends on the entity's business model for managing its financial instruments and the contractual cash flow characteristics of the instrument. For financial liabilities, the standard retains most of the IAS 39 requirements. The main change is that, in cases where the fair value option is taken for financial liabilities, the part of a fair value change due to an entity's own credit risk is recorded in other comprehensive income rather than the income statement, unless this creates an accounting mismatch.
- Amendment to IAS 1, 'Presentation of Financial Statements' regarding other comprehensive income (effective 1 July 2012). These amendments require entities to group items presented in other comprehensive income (OCI) on the basis of whether they are potentially re-classifiable to profit or loss subsequently (reclassification adjustments). The amendments do not address which items are presented in OCI.
- IFRS - 10 'Consolidated financial statements' (effective 1 January 2013). This standard builds on existing principles by identifying the concept of control as the determining factor in whether an entity should be included within the consolidated financial statements. The standard provides additional guidance to assist in determining control where this is difficult to assess.
- IFRS - 13, 'Fair value measurement' (effective 1 January 2013). This standard aims to improve consistency and reduce complexity by providing a precise definition of fair value and a single source of fair value measurement and disclosure requirements for use across IFRSs. The requirements, which are largely aligned between IFRSs and US GAAP, do not extend the use of fair value accounting but provide guidance on how it should be applied where its use is already required or permitted by other standards within IFRSs or US GAAP.
- IAS - 27 (revised 2011) 'Separate financial statements' (effective 1 January 2013). This standard includes the provisions on separate financial statements that are left after the control provisions of IAS 27 have been included in the new IFRS 10.

The Group has assessed the impact of the above standards and amendments to published standards and has concluded that they will not have a significant impact on the Group's financial statements except IFRS 9 where the Group has evaluated the potential effect of this standard and is planning for implementation from the effective date.

### Key accounting estimates and judgments

The preparation of the condensed consolidated interim financial statements requires management to make estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Such estimates are necessarily based on assumptions about several factors involving varying degrees of judgment and uncertainty, and actual results may therefore differ resulting in future changes in these estimates. In preparing these condensed consolidated interim financial statements, the significant judgements made by management in applying the Group's accounting policies and the key sources of estimation and uncertainty were the same as those that applied to the audited consolidated financial statements as at and for the year ended 31 December 2011.

## 8.2 Contingent liabilities and commitments

Contingent liabilities represent credit related commitments under letters of credit and guarantees which are designed to meet the requirements of the Group's customers towards third parties. Commitments represent contractually binding commitments to extend credit and other capital expenditure commitments of the Group which are undrawn at the date of statement of financial position.

	<b>30 June 2012 AED'000</b>	31 December 2011 AED'000 Audited
<b>Contingent liabilities:</b>		
- Letters of credit covering movement of goods	1,106,223	1,060,071

	<u>10,383,668</u>	<u>8,324,840</u>
	<u>15,525,304</u>	<u>13,334,821</u>

These contingent liabilities and commitments have off balance sheet credit risk and related fees and accruals for probable losses are recognised in the statement of financial position until the commitments are fulfilled or expired. Many of the contingent liabilities and commitments will expire without being advanced in whole or in part. Therefore, the amounts do not represent expected future cash flows.

### **18. Segmental reporting**

The Group uses business segments for presenting its segment information in line with the Group's management and internal reporting structure. The Group's operations are confined mainly in the UAE.

Business segments pay and receive interest, to and from Treasury on an arm's length basis to reflect allocation of capital and funding costs.

#### ***Business segments***

The Group conducts its activity through the following clearly defined business segments:

#### ***Wholesale banking***

The segment offers a range of products and services including credit and trade finance products, and services to large sized and small to medium size corporate customers through separate units and to financial institutions, and accepts deposits. The segment also offers transactional services to small-sized businesses.

#### ***Consumer banking***

The segment offers a range of products and services to individuals and high net worth individuals including personal and mortgage loans, credit cards, other transactions and balances, and accepts their deposits.

#### ***Treasury, Asset and Liability Management (ALM) and others***

The segment undertakes the Group's asset and liability management centrally and is responsible for optimum utilization of resources in productive assets and management of exchange and interest positions within the limits and guidelines set by management and approved by the Board. Treasury also offers various foreign exchange and derivative products to customers and is entrusted with the responsibility of managing the Group's investment portfolio together with Asset and Liability Committee. The Group's capital and investment in subsidiary is recognised under this segment.

The Group has central shared services which include Operations, Risk Management, Human Resources, Finance, Information Technology, Product, Legal and Internal Audit. The shared services cost is allocated to business segments based on transactions and relevant drivers.
